

Special Offer*: Buy PowerBuilder 10.5.1 and get a one-year USP FREE!

Ensure that you get the most out of PowerBuilder. Buy PowerBuilder 10.5.1 and get a one-year USP FREE!

OR get 10% discount when you purchase any PowerBuilder updates with USP.

The USP will give you FREE updates for one year. Updates include both MAJOR NEW LAUNCHES and interim updates.

*The offer expires Monday 18th December 2006. Valid orders must be received on or before Monday 18th December 2006. The offer applies to new PowerBuilder Enterprise 10.5 licences only. The offer cannot be used in conjunction with any other offers, discounts or promotions. It applies for an unlimited number of licences.

Sybase's Update Subscription Plan (USP) is an annual plan that entitles you to receive all major and minor new version releases for a given software product within the one-year term of the USP. USPs provide cost savings over individual update purchases. They do not provide technical telephone support. All software licences should be covered by the USP contracts.
